

PORRDZBI

HYDROCARBON GAS LEAK DETECTOR

Portable detection of hydrocarbon gas leaks for gas safety inspection and maintenance.

PRODUCT OVERVIEW

The PORRDZBI is a Hydrocarbon Gas Leak Detector designed for detecting hydrocarbon gas leaks during inspection, maintenance and gas safety applications.

KEY FEATURES

- ✓ Hydrocarbon gas detection
- ✓ Gas leak detection
- ✓ Portable instrument
- ✓ Gas safety inspection
- ✓ Maintenance applications

APPLICATIONS

- ⊙ Hydrocarbon gas leak detection
- ⊙ Gas safety inspection
- ⊙ Gas system maintenance
- ⊙ Pipe and connection inspection

TECHNICAL SPECIFICATIONS

Model	PORRDZBI
Product Category	Hydrocarbon Gas Leak Detector
Detectable Gases	Methane, LPG
Min. Value Detectable	100ppm CH ₄
Display	4 digit LCD
Power Supply	6 × 1.5V AAA
Autonomy / Auto-off	4h / 1 .. 30 min.
Protection Rating	IP20
Dimensions (H×W×D)	151 × 72 × 37 mm
